

WELCOME TO HOLY TRINITY PRE-SCHOOL

Even before kindergarten, parents need to be aware of ways to make the most of learning opportunities for their young children. One important choice that you can make in the early years involves choosing a pre-school for your child. The Pre-school at Holy Trinity is outstanding and an excellent choice.

At Holy Trinity Pre-School:

- THIS IS OUR FAITH religion series and Weekly Reader subscription enhance the thematic approach to our curriculum.
- learning occurs through readiness activities, crafts, large and small motor exercises, stories, songs and games.
- formal evaluations are done twice a year
- many out reach programs are utilized such as: Moon Run Firefighters, a dentist, Animal Friends, Children’s Hospital and Western Allegheny Librarian and storyteller.
- classroom programs are presented for parents:
3 year olds Thanksgiving program and Mother’s Day Tea
4 year olds Christmas program and Graduation
- your child’s education will begin with an outstanding experience.

The first years of a child’s life are a crucial developmental period, and children who are stimulated during these years are much more prepared for reading and math and are more likely to have the social skills they will need when it is time for kindergarten.
