

First Grade Supply List

Dear Parents,

Below you will find a list of supplies that your child will need for first grade. This list contains items that you can purchase on your own before school starts. Please do not send in any tablets or binders to school with your child. Also please note, when your child's name is requested always list your child's first and last name.

1. **Crayons** (One box of eight primary school colors: green, blue, purple, red, orange, yellow, black and brown. Please do not buy any larger boxes of crayons or smelly or glitter crayons, colored pencils or markers.)
2. **One pencil case** (No hard cases please. The soft plastic or cloth, zippered style is preferred, they fit better in the students' seat sacks. Please print your child's name on the outside.)
3. **Two Plain Folders** (The plastic type is more durable.)
 - a. On the first folder, please print your child's name on the front cover. On the right inside pocket, print STAY HOME and on the left pocket print HOMEWORK.
 - b. On the second folder, print only your child's name on the front cover.
4. **Two Boxes of Tissues** (for classroom use)
5. **One container of Clorox or Lysol Wipes** (for classroom use)
6. **One ream of white paper** (for classroom use)
7. **One pair of Headphones** (Please put them in a Ziploc bag labeled with your child's name for computer class.)

We look forward to working with your child during the next school year.

Sincerely,
Miss Bruno
Mrs. DiPaolo
